What are your hopes for the Call Process?

To prayerfully and JOYfully find a pastor who can help Abiding Presence Lutheran Church Live God's Love in a way that serves both the existing congregation but also allows us to grow serving the congregation even more fully and reaching even more of the community.

What do you want a potential pastor to know about Abiding Presence? (We are...)

We are Accepting. We may not be the most demonstrative in our Love (though, I think as a congregation we are actively working on that), but we will accept the most broken souls and help them heal. We Love all of God's children. Our music is beautiful and moving. Our congregation truly cares about the each other, our neighboring community, and the world as a whole.

How can the congregation pray for you during this time?

Pray that my eyes remain open to the mission of our church, and that I remain prayerfully and joyfully engaged in the Call process.
